

## 2023-2024 1st Grade Summer Homework.....Let's get ready for first grade!

Please practice reading the following decodables to prepare for 1st grade.

I have organized it into 2 books per week to help you stay on track!  
Feel free to practice reading the decodable books as many times as you would like.

The more practice you get, the better reader you become! Have fun :)
