

1st Grade Summer Homework

Dear Parents and Students,

Welcome students and parents! I'm super excited to welcome you into 1st grade in August! I have prepared a summer packet that includes reading decodable to increase sight word recognition and reading comprehension . Please help your child this summer by encouraging them to read or read with them every day for at least 20 minutes.

Summer Homework: Read at least 1 book a week, fill out the summer reading log and complete the activity page and the end of the decodable book. You could also ask your child to retell about what happened in the book. Talk about why the two of you liked or disliked the story. Retelling a story and evaluating a book are important pre reading skills.

Decodables

Fat Cat Sat

Max and Nan Tom has a Job

Can You See? I Do Not Like to Share

What is it? A Sub in the Tub

Fred and Ned in Bed Fun In the Sun

On a Jet Run to Fun

Look at This Tom and Tom

Fig the Pig

Bring your Summer Reading Packet to class on the FIRST DAY OF SCHOOL. Packets will be graded for completion.
