

Diorama Book Report

3rd Grade Required Summer Reading:

Ramona Quimby, Age 8, by Beverly Cleary

Due: August 14, 2024

Your assignment for this summer is to read **Ramona Quimby, Age 8**, by the author Beverly Cleary. Once you have finished reading the book, you will create/design a 3-dimensional diorama out of a shoe box of your favorite part in the story.

Instructions: Most dioramas are created by turning a shoebox on its side and using the back as a background.

Inside the Box: The inside of your diorama must reflect your favorite part/scene of the book. You can use construction paper, cardboard, clay, miniatures, foam, paint, legos, or any other items you may have access to at home.

The Right Side of the Box (on the outside): Include the following information: (1) Your Name, (2) Title of the book, (3) Author's name, (4) Number of pages, and (5) Number of Stars you would give the book. If you were a book critic, the maximum number is 5 stars.

The Left Side of the Box (on the outside): List the main characters and write 1-2 sentences about each. Also, describe the setting of the book in 3-4 sentences.

The Back of the Box: Write a paragraph summary that summarizes the plot of the book. Make sure to include the main conflict and solution in the book. Also, include why you chose that scene as your favorite part.

Be creative & have fun making your diorama book report project!
