Summer Reading Homework:

Book Title: "The BFG" by Roald Dahl

Reading Project: Character Collage: Create a collage featuring four characters from "The BFG" by Roald Dahl. Use magazine cutouts, drawings, or printed images to depict the characters. Write a short description for each character, 2-4 sentences for each character.

For the character collage, choose at least four main characters from "The BFG" and create visual representations of them. You can use various artistic techniques such as drawing, coloring, or cutting out images from magazines to bring the characters to life.

For each character, consider including their name, a brief description or character trait, and a visual representation that captures their unique features and personality. Arrange the images and descriptions in a visually appealing collage format, allowing the viewer to get a glimpse into the world of "The BFG" and the characters' roles within it.

Have fun bringing the characters to life through your collage, and let your creativity shine as you delve into the magical world of "The BFG"!
