

5th and 6th Grade Syllabus

2022-2023

Dear 5th and 6th Grade Parents:

Welcome Back! August is such an exciting month for teachers and students. It is a month of change and new beginning-new surroundings, new skills, and new challenges. It is my deepest aspiration that we will support and guide each other in a way that will provide a warm and secure environment where maximal learning can take place.

School Philosophy:

In fulfillment of the Church's mission of Catholic education and in response to parental need, Santa Rosa de Lima exists to bring Jesus and the Gospel message into the formal educational experience of its students.

We strive to have our students follow the call of Jesus Christ by centering our teaching around faith, life and learning; providing opportunities for service and worship.

We strive to embody the spirit of Santa Rosa de Lima, living as disciples of Christ.

We strive to build a school community which responds to the dignity and worth of each member.

Since lifelong success depends in part on learning to make responsible choices. I have developed a classroom discipline plan, which guides every student to make good decisions about his or her behavior. Your child deserves the most positive educational climate possible for his/her growth, and I know that together we will make a difference in this process. The plan below outlines our rules, positive recognition for appropriate behavior and consequences for inappropriate behavior. They are:

Class Rules:

1. Follow directions
2. Respect "EVERYONE" including the teacher
3. Keep your hands and feet to yourself
4. Raise your hand and wait for your turn to speak
5. Listen carefully while the teacher is talking

Positive Recognition:

To encourage students to follow these rules, I will recognize appropriate behavior with praise “Class Points” in the ClassDojo app. Students who receive only positive points throughout the week will receive a “treat or prize” on Friday.

Consequences:

There will be consequences for those students who break the rules.

1. First warning
2. Second warning
3. Points taken away from ClassDojo
4. Email to parents/Phone call to parents
5. Teacher/Parent Conference

Homework:

1. All students will write their homework assignment for that day on their agendas/iPads.
2. I will assign homework Monday through Thursday nights. If a student is absent or has missing assignments, he/she must complete them over the weekend since all weekly assignments will be archived on Monday.
3. Students will have to complete a weekly goal for ELA and Math on iReady.
4. All assignments MUST be submitted on time and fully completed in order to receive full credit.
5. All daily assignments will be posted on the Seesaw app; however, only few assignments will be submitted using the Seesaw app (I will notify the students when I expect them to use the app).
6. Make sure to sit with your child and go over his/her homework. Have your child show you the work so you can check it off in the agenda/iPad.
7. If homework is incomplete or not done then... You will receive a notification on the ClassDojo app and it will also be reflected on your child's grades Friday when I publish the grades on SchoolSpeak.

8. Academic integrity of work submission is very important. Any student who plagiarizes the work of another student or the internet will received a "0" as his/her grade.
9. Homework will be posted daily on **SchoolSpeak** after school.
10. This is an opportunity for you to be involved in your child's education, as well as being aware of your child's progress in school, please check SchoolSpeak in a regular basis. Grades will be published every Friday.

Daily Reading at Home:

Students will not be provided with a reading log. However, I expect them to read daily at home at least for 20 minutes.

Students will be reading **THREE** core novels in class throughout the school year. For each novel read in class, there will be a special project that has to be done at home.
