

TK/Kindergarten Suggested Summer Reading List

The following books are only suggestions. Please feel free to add any books that are appropriate for your reader. You can find any of these books at your local library. Reading Challenge: Read at least 2 books a week, focus on one sight word, and see if you can find it. Through listening to and talking about stories, children will learn to relate spoken words with printed words on a page. Repeated readings of the same book also help students with word recognition, vocabulary, fluency, and comprehension.
